### ZOOM TASTING: 2012 PHIFER PAVITT DATE NIGHT CABERNET SAUVIGNON

EVE BUSHMAN, EVE's Wine 1010, April 2020

Did my first online Zoom wine tasting with a winery I've known for 10+ years: Phifer Pavitt. We happened to have the wine of choice, their 2012 vintage of Date Night Cabernet Sauvignon in our cellar so we were good to go...

... Always nice to see and chat with Suzanne Phifer Pavitt, we've also tasted with Luke Speer at the winery too. (Just google the winery name on EveWine101.com to see how often we've made a stop at their winery over the years!) So tasting one of their older bottles, with Suzanne, Luke and other Phifer Pavitt lovers, sounded like fun to me. Here's what happened:

Nearly 40 people zoomed in at 4pm with wine in their glass and smiles on their faces. Many from California but many from other states. Suzanne greeted each and then talked a bit about the wine.
